CLUB HELP

If you would be able to help out with leagues like scoring, loading houses, taking out speakers, clean-up or signing people up it would be greatly appreciated. We will take any help that we can get please!!! We are all part of the club and as members we should all help out.

OPEN SHOOTING DAYS!!!

Remember to say thank you to the guys who open the club for Open Shooting. They volunteer for this and do it so you have a place to shoot. Help them by loading traps, putting out and picking up the speakers and anything else they need.

PICK UP YOUR GARBAGE!!

There seems to be more and more trash left lying around. Beer cans, pop cans, shell boxes, empty shells dinner plates and other miscellaneous junk. Your mommy is not here to pick up after you so do it yourself!

DOG CRAP!!!!

PICK UP AFTER YOUR DOG!!!!!!!

Gunslick is not the doggie outhouse. Shooters have to dodge these bombs left by your dogs. Also please be aware, you are responsible for any damage your animal does. So when YOUR dog knocks over a \$7000.00 trap gun and the gun incurs damage, get your check book out because it isn't going to be a cheap fix. YOUR dog broke it, YOU bought it.
